COMMENTS

The report referred to in paragraph 5 has been forwarded to FE Division to determine if it can be declassified or not. After their decision is made, I will refer the subject to you for consideration. Colonel Grogan has also prepared a memo on the meeting held on 24 Oct 55, a copy of which is available from his office or from the Office of the Inspector General. As noted in paragraph 4, the question of SECRET classification is not the only point involved. It may be that the other agencies involved will insist upon treating these documents as official privileged information.
